Project Development Manager - Spain (m/w/d) in Renewable Energies

📍 Hamburg 🏢 Permanent ⌚ Full-time

Introduction

Welcome to the world of Encavis! At Encavis, everything revolves around the power of the sun, the wind and the more than 200 people who together are helping to shape the energy system of the future. What exactly do we do? We make renewable energy economically viable. Our core business is the acquisition and operation of solar and wind parks. ~~Diese Seite nutzt Cookies, um bestmögliche Funktionen und Inhalte anzubieten.~~ throughout Europe. Already today, we are one of the leading group-independent electricity

producers in the field of renewable energies. And we are continuing to grow. What does that mean for you? The opportunity to move, shape and change a lot. As part of a multinational team that enjoys helping the energy transition to succeed.

There is a lot to be said for your move to Encavis - but your expertise and experience speak for themselves! What can you expect with us? Varied tasks in a team in which you will quickly take on a key role in the management of the Project Development Partners for our renewable energy plants in Spain.

Your Tasks

- Managing our PV-Project Development Partners regarding timelines, milestones, and project budgets with a deep understanding of the project development cycle in order to complement our Project Development Partners
- Overseeing all aspects of large-scale PV project developments from early stage to ready-to-build stage with focus on Spain
- Identifying new development opportunities and supporting commercial negotiations regarding development services with prospective partners
- Coordinating development progress internally across departments

Your Profile

- Degree in Engineering with a strong technical background
- 5+ years of relevant work experience and Spanish network in the Renewables sector, focusing on project development
- Deep understanding of the project development process in Spain with a proven track record
- Strong intercultural skills
- Fluent in English and Spanish, ideally knowledge of German
- Self-starter skilfully with a pro-active attitude in a fast-paced environment
- Willingness to travel on a weekly basis
- Team player skills with a positive attitude
