

# Senior Project Manager (m/f/d) Finance & Sales, Business Development Ireland/UK

Stellenanbieter: ABO Wind AG

## Beschreibung:

ABO Wind has been successfully developing and implementing renewable energy projects since 1996. We currently realise installations with a total annual investment of 500 million euros. Around 700 employees worldwide work with enthusiasm on site acquisition, planning, engineering, financing and the construction of wind and solar energy plants for a sustainable energy supply, and they provide operational management and maintenance.

To strengthen our team in Wiesbaden, we are seeking as soon as possible a full-time

## Senior Project Manager (m/f/d) Finance & Sales, Business Development Ireland/UK

### Your tasks – You...

- arrange financing (debt and equity) with banks and investors for renewable energy projects
- identify customers for our projects, negotiate agreements and conclude agreements
- create business opportunities including PPAs and run the financial modelling
- support the project development activities of our team from a commercial perspective
- structure portfolios of wind and solar projects, as well as for battery storage and/or hybrid projects
- support the team in bidding processes
- work in interdisciplinary and international teams

### Your profile – You...

- have an academic degree in Economics/Business Administration
- have several years of professional experience in project finance and financial modelling
- have professional experience in structuring and negotiating financing and sales contracts
- have been responsible for renewable energy projects participating in tenders
- are business fluent in English; preferable you speak German, other languages are of advantage
- are a skilful negotiator
- work independently, think entrepreneurially and are a team player

### Our offer

- Interesting and diversified tasks in a dynamic industry
- Working in a committed and competent team
- Friendly working atmosphere, fair and open collaboration
- Flat hierarchies and fast decision-making
- Flexible working hours and home office options
- Free language, yoga, and meditation classes
- Premium for environmentally friendly mobility - for example job bike or subsidies for public transport
- Kitchens with cooking facilities for the lunch break and free coffee and tea
- Free use of own charging infrastructure for electric vehicles

We look forward to receiving your application via our [online-form](#).
